VISITORS GUIDE

DISCOVER THE PASSION.

A new and exciting vision is materializing on The Avenues of historic downtown Sedalia, with ongoing plans to merge the old and new in a seamless ambiance.

We're only an hour east of Kansas City so why not plan a "Bleisure" and extend your business trip with a leisurely stay in the fully restored elegant historic Hotel Bothwell on The Avenues. Take the time to pamper yourself with a fully staffed spa and salons and then immerse yourself into Sedalia's downtown culture and become a local for a day or two.

Do you have a passion for the arts? The Avenues is a proud home of a unique and diverse arts community including galleries and studios featuring Best of Missouri Hands artists and fine art crafters.

How about a passion for shopping? Tired of finding the same stuff store after store? Love the locals by visiting our shops filled with one of a kind items in fashion, antiques, jewelry, gifts, home décor, musical instruments, women's

apparel and other unique merchandise in our vibrant commercial district.

Can we feed your passion for great food? The Avenues offers the finest in dining choices from casual eatery fares to elegant fine dinner options. Be sure to follow the aroma of freshly roasted coffee and experience a local specialty roastery.

If your passion is in exploring the past and experiencing local culture and heritage, The Avenues will not disappoint! You will be delighted with the beautiful architectural treasures of the National Historic District dating back to the 1890s and spread over more than 20 blocks. Visit the railroad heritage museum or vintage apparel museum and don't forget to glance skyward occasionally in hopes of spotting a B-2 Stealth Bomber hovering overhead from Whiteman Air Force Base.

We're easily accessible by auto from Highways 50 or 65. The Amtrak depot is conveniently located downtown so it's simple to come by rail. Or bike or hike the Katy Trail State Park and enjoy the beautiful countryside along the way. No matter how you prefer to travel, we invite you to become part of the story when you visit by mixing and mingling with the locals on The Avenues and...
